Serving temperature: **8 to 10°C**

Alcohol content: **12.5%Alc.**

Keeping potential: **0-2 years**

Residual sugars: **4g/L approx.**

Sweetness: 

Appellation: **AOC Alsace**

IDENTITY

Dry, distinguished and delicately fruity, Riesling reveals a bouquet of great finesse, a symphony of mineral and floral notes. Widely acknowledged as one of the world's finest white grape varieties, Riesling is synonymous with gastronomy.

ON TASTING

Golden yellow in colour.

The nose is intense with aromas of lemon and mandarin, underpinned by an elegant bouquet of white flowers.

The palate is direct with a pleasant citrus presence; the structure has good texture leading into a tangy finish. A wine that showcases the varietal character of Riesling.

FOOD & WINE PAIRING

A perfect match for shellfish and fish, as well as Alsatian cuisine.
