

## TREBBIANO

### *Grande Italia*

*Grapes:* Trebbiano

*Denomination:* Indicazione Geografica Tipica Puglia

*Alcohol:* 11% by vol.

*Serving temperature:* 10°-12°C

*Color:* straw yellow

*Bouquet:* delicate and slightly floral

*Taste:* fruited and light

*Serving suggestions:* throughout the meal

*Capacity:* 0,75

Trebbiano is an ancient grape variety given new life in this aromatic, refreshing and zesty dry white wine. It has good acidity for accompanying most food types but try this wine with chunky fish dishes, richly sauced pastas or on its own; serve chilled.
