

2020 Solo per Amore, Langhe Rosso

Solo Per Amore pays homage to the incredible history of this area, and our steep and rocky soils of limestone, clay, and sand in this amphitheater where our vines are rooted. A unique wine of old vine Dolcetto and Nebbiolo pays homage to those that came before us. Solo Per Amore translates to "*for the love of it...*"

This debut release shows aromas of sun ripened black cherries, red rose petals, and clay, with notes of spring lavender fields. On the pallet, red cherries with crushed wild berries, forest floor, savory herbs and wet rock lead to a beautiful finish which reflects the site in which Solo per Amore was grown.

80% whole cluster • 2,5 ha (6.2 acres) • 60% Dolcetto, 40% Nebbiolo • Aged 12 months in neutral Slovenian oak botti (15/25 HL)
