

ALBERTO
NANI

PROSECCO DOC
EXTRA DRY
ORGANIC & VEGAN

WINE: Alberto Nani Organic and Vegan Prosecco is an authentic wine dedicated to man, to nature and to the passion for winemaking. Certified organic, the wine is crafted from Glera grapes grown without pesticides, insecticides and herbicides in the hilly vineyards of Italy's famed Prosecco DOC region.

The clay soil here is rich in minerals, essential for producing high quality Prosecco, and the climate is perfect for locking in the grapes of refreshing characteristics. The wine is a perfect expression of this exceptional terroir. The elegant structure is a true delight and makes it extremely versatile to be paired with a wide variety of food and flavours. It is perfect as an aperitif, as well as throughout the meal.
